

THE NORTH-SOUTH TROPHY

The true origin of the trophy is lost in time. The current history is that about 1985 the trophy was discovered by an NRA member in the Colorado area and offered to NRA. Upon acceptance by the NRA Board of Directors and refurbishing, the trophy was placed by the Black Powder Committee into competition for award to the North-South Skirmish Association. The trophy depicts a Civil War era soldier shooting from the kneeling position atop a cup with a bullseye on it supported with muskets and a cannon barrel. This award is presented to the High Senior Skirmisher and to the High Junior Skirmisher at the NSSA Semi-Annual National Skirmish.

Match Conditions:

1998 10 Shots at 50 yards, 10 shots at 100 yards with a Civil War musket.
