Scoring

1. The decision of the Scoring Referee is final.

3. In Team Matches, each team must supply a scorer for another team.

Ties

1. A shoot-off will be conducted to determine the winner of a match where an unbreakable tie exists. In the case of unbreakable ties for 2nd and 3rd place, competitors concerned will both be awarded the higher prize, and be listed in competitor number sequence in the bulletin.

2. Ties for class/category awards in matches will be broken in accordance with NRA Rules.

Use of Scoring Devices: See NRA Pistol Rule 14.3.1 - Competitors acting as scorers may use standard NRA overlays.

Score Cards for Pistol

1. Score cards are provided to each competitor in the competitor packet. Upon receipt of the packet, each competitor should check immediately to be sure that a complete set of score cards is enclosed. Each competitor must make certain that the correct score cards are used for each day's firing.

2. DO NOT cross out match numbers and substitute others. NRA championship score cards are provided in sets, as a booklet. If the cards are removed one by one, there should be no incorrect score cards used, as the booklet is set up in the order in which the matches are fired.

3. All score cards which are used in the matches and all team cards, must be labeled with self adhesive labels supplied in each competitor's packet. Make certain that you place your labels on your score cards before you go to the range. Unidentifiable scores will not be used. Do not use felt-tip pens to fill out score cards.

4. All score cards must be turned in to a Line Official within 10 minutes of completion of firing a match. Failure to do so may disallow that score for awards.

5. Failure to use the proper score card will result in a score of "0".

NOTE: Competitors who appear at the firing line without score cards will be required to purchase blue substitute score cards at a cost of \$5 per score card. It is the competitor's responsibility to have the correct change.

6. When signing score cards, the competitors must remember they are signing for the value of each shot indicated on the card. Each competitor is responsible for their score card.

Electronic Devices: See NRA Pistol Rules 3.20 & 3.22.

Challenge and Protest Procedures

1. Competitors and team captains wishing to make a challenge or protest are referred to NRA Pistol Rule Book Section 16. Persons other than competitors and team captains (in team matches only) are not eligible to make challenges or protests. Also, team captains may not enter either protests or challenges for an individual competitor in an individual Challenge Period.
2. Statistical Office Challenges (NRA Pistol Rules 16.1 & 16.4) must be based on the scores posted on the computer print out in Building 950 and made prior to the expiration of the challenge period posted for each match and aggregate. A competitor who fails to challenge within this time period forfeits the right to challenge.
3. Competitors should check the scores posted in Building 950 to verify accuracy. Any errors must be reported to the Stat Office prior to closing of the match challenge period.

Challenges

1. Each competitor should check their scores as they are posted on the computer printout in Building 950. Unless otherwise noted, scores posted are preliminary and do not necessarily reflect the final standings and/or awards won. If you feel your score, class, or category are not correct, it is your responsibility (team captain for team matches) to report this to the Statistical Office prior to the close of the posted challenge period for that match (NRA Pistol Rule 18.13).
2. Go to the Statistical Office (Building 950) and explain the discrepancy. The challenge will be processed and corrections made if warranted.
3. It is the competitor's responsibility to make certain that the scores posted are correct. Failure to check scores within the time limit will result in the penalty of losing the privilege of any further challenge. It is the statistical office's responsibility to correct scores prior to the end of the challenge period. After the challenge period, the competitor accepts the responsibility for scores posted.

Procedures for Making Range Challenges: See NRA Pistol Rule 16.1.

If the competitor disagrees with a shot value announced by the scorer or displayed value of the shot, the competitor may challenge the score.

1. All scoring challenges must be made immediately on the range.
2. Corrections to Preliminary Bulletins will be made at the Statistical Office at the Challenge Window within the time period noted (NRA Pistol Rule 11.6.3).
3. Scores posted after 6 p.m. will have the challenge period close at 9 a.m. the following day. All scores for each match will be posted at one time, not by relay.

Protests: See NRA Pistol Rules 16.2 & 16.3.

If after following the procedure specified in the NRA Pistol Rule Book, a competitor feels that he or she should file a written protest, the following must be done: NOTE: Failure to follow the following procedures will automatically void the protest.

1. If the incident occurred on the range, state the complaint orally to the Chief Range Officer. If not satisfied, the complainant will:
2. State the complaint orally to the Range Referee on the range where the incident occurred.
3. Within one hour after the completion of firing for the day, the complainant must initiate, sign and submit a completed Official Protest form stating all the facts to the Chief Referee or Statistical Office. The forms are available from the Chief Referee or the Statistical Office. A protest fee of \$20 is required for each protest.
4. The Statistical Director/Chief Referee will contact the Secretary of the National Championship Protest Committee and the Match Director. The Committee Secretary will assemble the Protest Committee.
5. In case of awards, a protest must be filed with the Statistical Office no later than 30 minutes after the completion of the awards ceremony.
6. The protesting competitor should be prepared to appear before the Protest Committee, if requested to do so.
7. After the Protest Committee has made its decision, the protest will be returned to the Statistical Office. The competitor may pick up a copy of the protest results at the challenge window. If the protest is sustained, the \$20 fee will be returned to the complainant.

Protest Committee: See NRA Pistol Rule 16.2.1.

A decision of the National Championship Protest Committee is final but may not override a prior decision of the National Protest Committee.
